# WHO ARE THE CALGARY COLTS?

The Calgary Colts is a non-profit Junior Football organization that has been a member of our community for over 53 years. Junior football provides the opportunity for 17-22 year old men to learn life skills through the game of football. Many of our players go on to further education with assistance of our Scholarship and Bursary funds. Some of our esteemed alumni include Richard Sindani, Johnny Forzani, Spencer Wilson, Lyle Bauer and the late John Forzani.

The Colts are a member of the Prairie Football Conference, within the Canadian Junior Football League, which is comprised of 18 teams nationwide.

## ***What is required to operate a Junior Football Team?***

The general operation of the team requires an annual budget in the range of \$250,000-\$300,000. As with most things, these costs continue to rise every year.

The costs are only one side of the equation, as countless, dedicated volunteers donate hundreds of hours to help mold the youth of tomorrow and to field a team which we can be proud of.

Through partnerships with the private sector, individuals and other agencies that share our commitment to youth, we are endeavoring to keep the spirit and integrity of the Calgary Colts vibrant and alive.

## **How Does Your Contribution Help Our Team?**

Your contribution to the Colts will be used to:

1. Fund Scholarships and Bursaries to assist in post-secondary and trade education.
2. To improve health and safety for the players through upgrading helmets and equipment, seminars and trainers.
3. To offset operating expenses.
