Calgary Colts Equipment Pre-Authorization Debit Form

The Calgary Colts are committed to maintaining the highest level of player safety standards in the CJFL. We accomplish this through certified coaching and providing certified equipment. Issuing certified equipment is equally as important as collecting equipment to be refurbished and recertified at the conclusion of each season.

For each piece of issued equipment not returned at the end of the season, as outlined by the Head Coach, will result in a non-refundable credit card charge to replace missing equipment. Thank you for helping the Calgary Colts issue and maintain your football equipment!
